Last revision date: June 07, 2015

www.NetworkMarketingServices.co.za has reviewed and rewritten its Privacy Policy to (1) make it easier to read and understand, (2) describe its practices in better detail, (3) make it clear that we may combine or share the information we hold across all current or future the Network Marketing Services community, and (4) combine privacy policies and practices for the Network Marketing Services retail stores and its affiliates. Instead of having multiple and potentially conflicting privacy policies for the Network Marketing Services entities and our Web sites, we have decided to ensure all the Network Marketing Services entities operations follow the same privacy standards. By combining our privacy policies and practices, we give our customers the same privacy standards whether providing the Network Marketing Services personal information on or offline. If you have questions about our Privacy Policy, email our Privacy Manager at bertie@networkmarketingservices.co.za

www.NetworkMarketingServices.co.za may edit this policy from time to time. If we make any substantial changes we will notify you by posting a prominent announcement on our pages.
